

Mayfield Education

Disinfection & Sterilisation for Small Practices & Clinics-short course

Program Code	Start Date	Program Length	Campus	Study Mode	Contact
Disinfection and Sterilisation for Small Practices and Clinics	26 August 2020	1 day (9am-4pm)	Mayfield Education Hawthorn	onsite short course	(03) 9882 7644

COURSE OVERVIEW

Disinfection and sterilisation practices within small practices and clinics are covered by Australian Standard AS/NZS 4815. This program equips you with the skills and understanding to comply with this Standard. Recommended for those wanting to demonstrate compliance for accreditation purposes in small practices and clinics. An introductory session on micro-organisms, transmission of infection and the use of standard precautions sets the scene for applying AS/NZS 4815 in the workplace. Participants will discuss the appropriate physical layout of an area for dealing with reusable items that complies with the requirements and application of AS/NZS 4815.

ENTRY CRITERIA

Those involved in decontamination, disinfection and sterilisation in office based settings.

TRAINING PROGRAM

- Basic microbiology and human defence mechanisms
- Standard precautions
- Layout of reprocessing area
