HLTSTE007 & HLTSTE008 Upgrade for current Technicians

Program Code	Start Date	Program Length	Campus	Study Mode	Contact
HLTSTE007 & HLTSTE008	3 March 2020	4-day program over 8 weeks	Mayfield Education Hawthorn	onsite short course	(03) 9882 7644

COURSE OVERVIEW

This short course has been designed to provide nationally recognised and accredited units of competency to existing CSSD technicians. This unit will provide skills to the participants to enable them to comply with the Standard AS/NZS4187:2014: Reprocessing of Reusable Medical Devices in health Service organisations.

ENTRY CRITERIA

- Currently work in a CSSD department of a hospital or clinic in the role as a technician for a minimum of 15 hours/ week.
- Have completed Certificate III in Sterilisation Services qualification.

TRAINING PROGRAM

- HLTSTE007 Monitor and maintain cleaning and sterilisation equipment (80 nominal hours).
- HLTSTE008 Monitor quality of cleaning, sterilisation and packaging processes (80 nominal hours).

Blended learning includes face-to-face, Online and Work placement.

DELIVERY

This will be a 4-day program with emphasis on knowledge and practice. Further to this participants will provide evidence of the compliance with the training package and the National Standard through workplace experience.

To accommodate busy working professionals, this program will be run over 8 weeks (1 day / fortnight). Work placement will be undertaken in their own workplace.

DATE

Course commencing Tuesday 3 March 2020.

Classes are run on Tuesdays 3 March, 17 March, 31 March & 14 April.

AWARD

On completion you will receive a Nationally Recognised Statement of Attainment.
