## Sterilisation and Disinfection Practice for Environmental Health Officers- Short Course

<b>Program Code</b>	<b>Start Date</b>	<b>Program Length</b>	<b>Campus</b>	<b>Study Mode</b>	<b>Contact</b>
Sterilisation and Disinfection Practice for EHO	22 April 2020	1 day	Mayfield Education Hawthorn	onsite short course	(03) 9882 7644

### **COURSE OVERVIEW**

This program helps Environmental Health Officers understand Australian Standard AS/NZS 4815 and how it should be applied to skin penetration establishments. After completing the one day course you will understand infection control principles and the need for compliance to minimise the risk of infection. The course has a strong focus on how equipment should be cleaned and disinfected to eliminate the transmission of bacterial or blood borne infections, particularly Hepatitis C, Hepatitis B & HIV.

### **TRAINING PROGRAM**

- Sources of infection
- Infection control principles and practice
- Cleaning and disinfection of equipment
- The principles and practical applications of steam sterilisation
- Monitoring steam sterilisation
- Applying "Health Guidelines for Personal Care and Body Art Industries"

### **DELIVERY**

1 day course at Mayfield Education from 9.00 am to 4.00 pm (30 minute lunch break)

Or

Organisations may choose to have this program delivered in the workplace as a customised course
